Dear Friends,

I didn't want to let the Christmas season pass by without a word to you. Although I am only speaking at one class a month, the reports from the classes conducted by others indicate that they are going well.

All of you that I have worked with, or just gotten to know, are in my thoughts often. I still wonder at the privilege that I enjoyed for so many years of being called an RBM Missionary. I wonder how many lives our partnership has changed. I have been blessed to have known you all. Many of you are still sending monthly support, and I thank you. Many more still pray for us and the ministry. Again, I thank you.

I wish a Merry Christmas for all of you. May the new year bring you many blessings. Thank you all.

In Christ,

David Kurowicki
