reaching the
children.

Thankful Days!

Exciting news—Bethel Baptist Church started a Good News Club at Northwest Early El this spring after 15 years of not being at this school. One little girl came to club then went home and asked her Grandma to take her to the church on Easter Sunday. They had 15 children come to this new club.

Springport Elementary school was given 2 Action Bibles for their library. The librarian is a GNC teacher and asked for 4 more, then 4 more again. Why? The Action Bible was the most checked out book in the school library this winter!!! We love giving children the Action Bible because they will read it!!! Springport GNC had 82 come to club and 12 received Jesus as their Saviour (including 1 mom on the last day of club).

We continue to thank God for each of you. YOU make the ministry possible. Your prayers, encouragement, and financial partnership is what propels the ministry forward into new bountiful harvest fields

2025-26 Winter Ministry

Good News Clubs® – 14 (12 public schools, 1 release time Christian school, 1 Regular GNC) 525 children reached with 57 professions of faith.

Special Party Clubs – 7 clubs – reaching 45 children

Literature Distribution of Wordless Book tracts – 1 time to 800 children

Bibles given out at Good News Clubs – 197

A child in GNC® was drawing a picture. When asked what she was drawing, she replied, "God." The teacher said, "Nobody can draw a picture of God. Nobody knows what God looks like." The child replied, "They will when I get done."

Amazing Days Ahead

As we prepare for a busy summer of 5-Day Clubs® and fair ministries, please pray for the children and families we reach and the many partners in Christ who faithfully volunteer so this ministry to children may continue. I also invite you to prayerfully consider volunteering at the Jackson County Fair, August 9th – 15th and Civil War Muster August 22nd - 23rd. There are countless opportunities to serve, encourage children, and share the hope of the Gospel. (Call Jana 517-745-0811 for a small time slot or as many time slots as you would like -- that would be amazing)!!

CEF Jackson County has been at the Fair since 1966 – this marks our 60th year telling children about Jesus. Thousands of children, teens, parents, and even many grandparents heard, and responded to the Gospel because of faithful volunteers willing to witness. A lady came to tell us that she was saved at our tent when she was young and now she is a missionary in a foreign country. As a volunteer you get to plant a seed that God will use abundantly for His Glory!!!
