

20 YEARS OF DIVINE FAITHFULNESS

Dear brothers and sisters: It is a great joy to communicate with you again, wishing that you are well and enjoying the blessings of our great God and Savior Jesus Christ.

We give infinite thanks to God, who has sustained us both physically and spiritually. He has not left us for a single moment and has always provided for our needs during 20 years of missionary service.

This month has been a blessing for two reasons: first, as a family, we celebrate 20 years of serving the Lord in the missions—first in Misiones Lencas and now in Misiones del Golfo (Choluteca). And second: our 20th wedding anniversary with Olga, and having the beautiful family that God has granted me.

I want to inform you about what is happening around here:

In our family: The twins continue in their second year of university; for this reason, they have moved to the country capital to pursue their studies. They are advancing in their education and growing spiritually, serving the Lord in a local church.

Izamar, now 15 years old, continues her secondary studies in Marcala, La Paz, where we currently live.

In the ministry: I continue traveling every 15 days to the south of the country (Choluteca), visiting new places with great needs, especially spiritual ones, preaching and discipling the new believers who surrender their lives to Christ.

It has not been easy, as we are traveling from Marcala, La Paz, towards the south. The trip takes 6 hours, then we have to walk one to two hours to reach the communities, and the heat is extremely hot.

However, we are happy that people are hearing the gospel of Christ for the first time in their lives; some are making their decision for Christ, others just listen and hesitate to make their decision, but we know that God is doing a work of salvation in them.

Challenges: We have faced some challenges, such as having to obtain a well-conditioned vehicle on an installment plan to travel the roads to the south and to be able to climb the mountain paths (you already know the road conditions in Honduras).

We do not have an economic fund for mobilization expenses (fuel, vehicle maintenance, and food); these years that we have been traveling have been due to God's faithfulness. But in this month of June, we were notified of a reduction in our monthly salary due to a lack of funds, further affecting our finances.

Within our family expenses, for several years now, we have not had a fund for medical expenses, and education expenses have risen since we pay a monthly rent for the twins house. We are also praying for doors to open for project support in the area: we long to pay for a piece of land in the center of Choluteca that will serve as a base for all the locations; we need study and evangelism materials, and resources to conduct different activities with children and others.

So, in these 20 years that we celebrate, we have experienced the blessed grace of our God who called us to serve Him. In the present, despite the challenges, we are willing to continue serving with love, believing in Matthew 28:19-20 that while we fulfill His mission He will not leave us, and in the future, we will add many more years to tell of His wonders and continue enjoying His faithfulness. May God do mighty deeds in people.

None of this is possible without the unconditional love and support that each of you provides us with through your prayers, your financial support, and your emotional and spiritual backing. So, together, let us continue one more year for the Lord. Thank you for your support.

REQUEST:

I would like to share our financial need more specifically with you so that you can help us pray.

If God puts it in your heart to do a little more, that you may help us look for supporters by telling them about us and our need, or if you would consider increasing your support for our ministry.

Salary deficit due to reduction: 2,024 dollars monthly to reach the full monthly salary.

Vehicle payment (monthly installment): 734 dollars.

Monthly mobilization expenses for missions in the south: 318 dollars monthly.
